On the right side of the navigation bar, there are 'SIGN UP' and 'LOGIN' buttons, with a blue arrow pointing to the 'SIGN UP' button. The main content area features a large heading: 'Easy-to-use machinery safety management software'. Below this heading is a sub-headline: 'Helping those working with machinery keep their people safe, meet compliance obligations and improve efficiencies.' There are two buttons: 'GET STARTED FOR FREE' and 'REQUEST A DEMO'. To the right of the text is an image of a worker in a high-visibility vest and hard hat looking at a tablet. The image contains two callouts: 'Safe to Operate' with a green checkmark and 'Safety Issues Identified' with a yellow warning icon. Below the main content, there is a section titled 'Safety solutions for all machinery brands including:' followed by a list of brands: 'VOLVO', 'HITACHI', 'LIEBHERR', 'CATERPILLAR', and 'KOMATSU'.
